

*Yours Truly,*

A CAPELLA CELEBRATION

SOLEMNIZATION EXPERIENCES

2017/2018

## WALK ON WATER

Finding someone to love wholeheartedly and who loves you back for who you are, is truly a miracle. Here at Capella Singapore, celebrate this miracle as you walk on the water to your loved one. Imagine saying your vows at an altar surrounded by a sea of clear sparkling water, signifying the exclusive union of two blissful souls.

## POOLSIDE BLISS

Bring to life your perfect romance and say “I Do” amidst the tranquil setting of tropical greenery and Capella Singapore’s famed cascading pools. With a picturesque backdrop to eternalize your special moment, this unique memory is yours to truly behold.

## GARDEN OF DREAMS

Solemnize your wedding with all the glamour, style and tradition of yesteryear on our garden lawns, right in front of our conservation-listed colonial buildings that exude romanticism. Yours will be a memory for the history books.

## PERFECT MIDPOINT

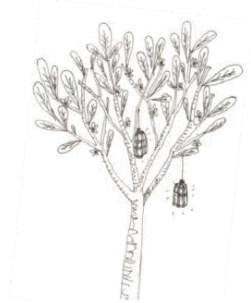

Some say for a marriage to work, it needs a fine balance between two lovebirds. Celebrate your union at the very midpoint of Capella Singapore where the old and new fuses. Walk towards each other and look into each other’s eyes, hopeful for the life journey together.

## HORIZON’S VERGE

Take in all that Capella Singapore has to offer on our breezy Patio, overseeing the stunning South China Sea, three cascading swimming pools glistening under the sunlight, as well as a heritage tree with aged grace. Bask in the golden glimmer of the tropical sunset as you say your vows, promising to spend a lifetime together, for better or worse. It will truly be a moment to remember.
